To All Sons Of The American Legion,

On behalf of the NMBHS wrestling team I would like to extend our deepest gratitude, and kindest regards for your magnificent generosity. The forward thinking of responsible persons such as yourselves allows for like minded individuals to interact with the youth of our community. This interaction has positive impacts in young peoples lives and ultimately molds them into stronger, better, more altruistic members of society. The support you give goes far beyond dollars and cents, it exhibits your organizations deep commitment to the future of America and the strong ideals of duty, honor, and integrity.

Sincerely,  
  
Rory Valtin
